Come and see the needs in Colorado Springs and be equipped to respond with the love of Christ. Through Serving Springs, youth will stay at First Pres and spend the week serving and building relationships with local partners. Together with Vanguard Church (and possibly other local congregations), we will worship, learn, and share about how God is working in and through us. This week will be a springboard for relationships and service beyond the mission week. It will help equip our youth with a solid foundation of missional service before sending them out to other states or countries.
